We've made about \$6000 more than we've spent so far this year. We are looking for a new treasurer for Lance to train in next year.</p> <p>The group approved writing a check to the school this July for a budget similar to last year's.</p> <p>Bethann N. proposed a vendor fair fundraiser in November. She will do some research and get back to the group on the feasibility of the event.</p> <p>Kari asked if all classes do spelling/word study. Mr. Thomas explained that yes, all classes do some form of word study that is individualized based on the words a student knows. If parents are wondering about the words their student is working on, they should find a list in the student's reading journal.</p>
